

Notice regarding suspension of residence-related services
during the summer-break office closure

CIE*'s residence-related services will be suspended from
Friday, Aug 9 to Monday, Aug 19, 2024.

* For the schedules of the other offices providing residence-related services, please refer to the website of each office.

Please note that during the above period, staff will not be available for services including checking documents, responding to questions, and issuing university documents. Processing of applications sent during the summer closure will be resumed in order of arrival from August 20.

The Immigration Bureau will be open on weekdays during the above period.
